ISG Arcus
Lelystad, Flevoland, NL
- 2019

SKILLS

- Communication
- Problem solving
- Adaptability
- Eye for detail
- Grammar

LANGUAGES

- Dutch (C2)
- English (C1)
- German (A1)
- French (A1)

GOAL

I am a creative yet logical thinker. I love solving problems and do not mind a nice challenge. Learning is something I am passionate about and I want to keep learning, preferably all my life.

Currently I am also a student mentor, during which I love demystifying subjects for my co-students so we can all learn.

WORK EXPERIENCE

Supermarket Employee

Lidl, Lelystad, Flevoland | 2023-05 – present

I have the responsibility to make sure the entire fruits/ vegetables aisle is up to standards. This specific part is done by just me throughout my shift. Other than that I handle cash registers, stock shelves, help customers and clean when the store closes.

Quality Control Inspector

Sherwin Williams, Lelystad, Flevoland | 2022-07 – 2022-09

I had to check the quality and weight of cans of paint, their labels, boxes, boxlabels and helping others whenever I had the time, I.E. helping packers pack or setting up the machines.

Tutor Volunteer

ISG Arcus, Lelystad | 2016-01 – 2019-05

I had to tutor students in mathematics, physics, science, biology and geography. I did this every Tuesday and Thursday for 2 hours at the time.

CERTIFICATES

- Impacter
I have gained this certificate after helping organize an event for all students in my major
